

WHO is a Friend of the AACA Library?

A friend of the AACA library is someone who serves as an ambassador and volunteer for the library. Some of the tasks a Friend might take part in include:

- Manning the Fall Meet & Annual Meeting information booth.
- Staff informational booths at car shows and events throughout the year.
- Encourage Endowment Fund support.
- Spreads the word about the benefits members can receive from the library and how the library can help them.

WHY do we need a Friends group?

As the library continues to grow and expand its mission an ever expanding list of duties and tasks are created. The library committee and staff cannot do everything on their own. The Friends group allows club members the opportunity to take an active part in the growth and future of the library.

HOW can you become a Friend?

Simply contact any member of the Library Committee or staff. They will be happy to get you the appropriate application form and guide you through the process. There is a fifteen dollar a year donation (\$15.00) which gives you a Friends of the Library pin, email newsletters, and special offers during the year.
